

Instructions for Using China and Glassware rented from *Herriott's*

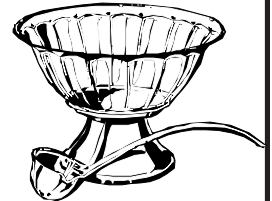

Unpacking & Use:

- ① All china and glassware are packed clean for your convenience and are ready to use.

BEFORE using either china or glassware allow items to come to room temperature. This will help prevent cracking and breakage - especially in hot weather when the china and glassware surfaces are suddenly exposed to cold liquids and/or food and in cold weather when these same surfaces are suddenly exposed to hot liquids and/or food.

- ②

WARNING: Heavy glass punchbowls are especially susceptible to rapid temperature changes.

E-Z Cleanup:

Before returning china and glassware ALL items must be rinsed free of ALL food and beverages. Before reboxing DRY all items. PLEASE NOTE: ALL items must be returned rinsed and dry to avoid extra cleaning charges. Sorry - No Exceptions. Please DO NOT rewrap items after cleaning. Rebox in provided boxes and carriers.

Carriers ARE NOT to be used for trash receptacles. ALL carriers MUST be returned with rented items.

Please Note:

Please handle, store and transport all items with extreme care. All breakage (including chips) or shortages WILL BE charged for on date of return.

Thank you for renting from
